Has been unable to hit the board in 2 wet main track losses; a stakes winner at today's distance but is way off best form as 3-back is a career low Beyer and he beat 1 runner home in last; tough call into a graded stakes 1st off the claim exiting a last-place finish.

Seeks his 1st exacta finish on a wet main track; broke his maiden at today's distance but his 3 starts at 9 furlongs in 2025 were way off best form; tired at shorter in last when a very disappointing 9-10 chalk; reunites with Pacho who won an allowance on him as 3-time win rider Gaffalione sides with top pick Skippyongstocking for this.

Has won both on the lead and stalking the pace; 1st time Prat who is patient so expecting him to stalk Sergeant Capps then get 1st run on the closers; has never been this far which is the main concern; 3-back field-best Beyer on GP dirt a surface he is 4-for-5 over; went 1-for-1 in the mud so a wet track doesn't necessarily move him up but likely doesn't hurt his win chances; the numbers say yes exiting a best-last-race Beyer; is strictly the one to beat.

Major class test as she heads into this one 0-for-5 vs. graded stakes company; her lone wet track start was 2-back when middle moving in a Grade 2; nice prep for this as Paco put them sleep on the lead beating lesser; major pace presence but likely doesn't get an easy lead for this event.

Last win was on the lead so assume we will see her more forwardly placed here trying to turn the tables on Dry Powder; saved best for last posting a new Beyer Top at today's distance on a fast MTH oval; she is 1-for-6 on wet main tracks (FL wet track mai den win) but hasn't raced on the off going since May, 2025, finishing 3rd in a BAQ mud allowance.

Posted a Grade 3 placing in her only other wet min track start at 1.5 furlongs shorter than today's event; 0-for-4 in graded stakes is a major concern to back on top; saved best for last posting a new Beyer Top at a half furlong longer than this when cru shing TDN stakes runners as a heavily backed chalk; exotics possibility.

Needs a wakeup call exiting her lowest Beyer since November, 2023; was stakes placed on a sloppy track April, 2025, at longer than this, but is 0-for-3 overall on less than fast ovals; will be a major player if fires back to her 2-back Grade 2 score at t oday's distance; the 3-back winner and show finisher Beyered 105-87 in next-out OP Grade 1 and 100K stakes victories; contender.

Grade 2 stakes winner at today's distance 7 weeks ago defeating the runner-up finisher who Beyered 91 in her next out CD-G2 stakes win; both her 100 field-best Beyers were produced at 1 Mile; today would be her 1st start on a wet main track; neither her dam or siblings raced on a wet main track; the numbers say yes exiting a best-last-race Beyer; scary if gets a fast oval or handles the wet; is the one to beat. -Art Gropper

**CLOSER LOOK:** If you're looking for the best last-race Beyer Speed Figure in this field, your search can end now, and like to see that this filly has shown the ability to run well from on and off the early pace; she's fresh off of a graded stakes victory and this appears to be a favorable spot for her to go after another G3 win; she's tough to ignore with Irad aboard.

One of two in here for the barn of Chad Brown and this G2 winning mare might be ready for a top try while making the third start of her current form cycle; she just missed in this event last year when recording a third-place finish and she enters this race on a similar pattern.

Grade 3 winner was in tough in her latest outing and she'll appreciate meeting up with a softer bunch after testing those G1 foes; this is the other Brown-trained mare in here and she has every bit the look of a top contender with Prat aboard; it looks like there's enough early speed in here to give her a favorable setup from off the pace.

Her recent form has been her best, and she did earn a G3 stakes placing in her latest outing; however, she's needed a lot of time off between her two most recent starts, and she'll have to show up with a career best effort if she's to threaten the top co ntenders in this one.

She's a G2 winner racing over dirt and her connections might be hoping to see this race have to be moved to the main track; her turf form hasn't been bad, but she will have to improve over what she's shown from three turf starts if she's to prove to be t he one in this spot.

Grade 2 stakes placed miss looks like one of the more serious options to consider in here and like the idea of her getting a little bit more ground to work with after a solid run off of a layoff going 1 1/16m; going to look for her to be involved in the running every step of the way with Lopez at the controls. -Brian Pochman

**CLOSER LOOK:** Multiple graded stakes placed gelding has been in fine form lately and like to see him getting a rider switch to Irad for this; he's run well in a couple of starts over this turf course, and if he feels up to one of his better efforts, he can prove to be a threat for the top spot; the rail post isn't ideal at this trip but going to look for him to be involved in the running throughout.

His lack of early speed is a concern, and his recent form hasn't been his best, and he will have to show up with his very best effort if he's to have a chance at the top spot in here; working in his favor, it does appear that the early pace will be fast and hotly contested.

Multiple stakes winner is looking to become racing's newest millionaire and this speedy gelding has shown the ability to sit off of the early leaders if required; he won this event in 2024, and was a sharp runner-up finisher in this event last year, and he appears to be primed for a top try while making his second start back from a layoff.

Multiple stakes winner is looking to become racing's newest millionaire and this speedy gelding has shown the ability to sit off of the early leaders if required; he won this event in 2024, and was a sharp runner-up finisher in this event last year, and he appears to be primed for a top try while making his second start back from a layoff.

J/T 2025-26 (7 43 \$4.50)

TRAINER: 61-180Days (33 .09 1.25) Turf/Dirt (33 .12 \$4.61) BlinkOn (10 .30 \$5.20) Dirt (193 .11 \$1.76) Sprint (234 .12 \$1.81) Stakes (24 .00 \$0.00)

CLOSER LOOK: 0-for-8 in stakes and nearly 1 year since her last dirt start which represents the 2nd lowest Beyer of career as she exits a career-low speed figure; 1-for-6 on dirt and much better 3-for-12 on turf; that main track victory was over a GP wet main track to break her maiden at 1 Mile; leaning elsewhere.

Massive class concerns as she has never raced against open competition and has a lot to prove at this level; 2 wins on the lead and 1 stalking; she wants to be out fast from the gate; broke her maiden at a half furlong shorter over this MTH oval; know her early but unsure about late.

Going for 7 in a row with all of her wins racing 1-2-3 at the 1st call; a 2022 stakes winner at 1 Mile on TUP dirt; she exits a best last race Beyer and new speed figure Top on a fast MTH dirt oval; she is 2-for-2 on wet tracks including the 2-back sloppy track win over much lesser; a nice story as she was claimed for 5K one year ago and now competes in a stakes; defeated the 3-back show finisher who Beyered 76 in a next-out PRX-25K-claiming win; has to pass this class test and overcome a ground losing draw; view as an exotics possibility. -Art Gropper

Going for 7 in a row with all of her wins racing 1-2-3 at the 1st call; a 2022 stakes winner at 1 Mile on TUP dirt; she exits a best last race Beyer and new speed figure Top on a fast MTH dirt oval; she is 2-for-2 on wet tracks including the 2-back sloppy track win over much lesser; a nice story as she was claimed for 5K one year ago and now competes in a stakes; defeated the 3-back show finisher who Beyered 76 in a next-out PRX-25K-claiming win; has to pass this class test and overcome a ground losing draw; view as an exotics possibility. -Art Gropper

**CLOSER LOOK:** He's been beaten by a couple of today's rivals in his recent starts, and even though his overall form has been solid, this has to be considered a tough spot for him to go after a graded stakes score; like the rail post for him at this trip, and he hails from a barn that is having a strong meeting, but prefer to look toward others.

He's won just once from 15 career starts and this has to be considered a tough spot for him to go after career win number two; he's cross entered in a much more favorable spot at Ellis Park on Friday and might run there instead; a case can be made for his recent form being his best but still have to look toward others in here.

Multiple graded stakes performer shows up for a high win percentage barn and like to see him being reunited with Saez as he's had a good deal of success aboard this runner; he's been in tough against Burnham Square and Far Bridge in his recent starts and he appears to fit right in with this bunch; must consider.

He's the only multiple G1 winner in this field and he enters this race off of a sharp winning performance over this turf course; It's Brown and Pratt, and this has to be considered a favorable spot for this six-year-old to try to make it a perfect three-for-three over the Monmouth sod and eclipse the \$2 million mark in earnings.

Multiple stakes winner appears to be in career best form after recording a stakes win at Laurel in his latest outing, but this is clearly a tough step up the class ladder and he will have to improve over his latest outing if he's to get over on the top c ontenders in here; going to look toward others for the top spot.

This colt just seems to get better with each passing start, and he's gotten the job done in five of his last six outings; he will need to show up with his best effort to date to get the better of this field, but can't blame his connections for showing th e confidence in him to sign him up for this; he has at least mild appeal with Lopez aboard.

He's earned more than \$898,000 in his career and he's made it look pretty easy in back-to-back starts since being introduced to turf racing; it's Cox and Irad, and if his recent workouts are any indication then he'll be ready to maintain his strong recent t form; obviously he deserves to be listed among the top contenders.

**CLOSER LOOK:** That Long Branch 2nd here May 10 was encouraging, the best race of his career; however, he then hit the brakes firmly in the Pegasus to end up last, beaten a city block by today's foe Baby Vino, who might only the 6th choice in the wagering; must not only make up a ton of ground on that guy, there are others more proven at the highest level of this class; even a return to his Long Branch performance level leaves him a ways behind these.

He's freaked in 2 starts at KEE but some good work elsewhere shows he's not just some one-track pony; after the G1 Ky. Derby debacle he bounced back nicely to win a G3 at CD so if you toss the Derby you're left with 5 straight sharp races; tactical speed can have him forward, able to keep 'Solo and any other speed in his sights; bullet work at CD July 4 says he holds his edge; Cox won this twice (Cyberknife, 2022; Mandaloun, 2021, via DQ).

The Pegasus has been the main local prep for this for year and this guy was terrific there, romping by 10 3/4; that not only showed quality but that he handles this place and is trending the right way as that romp was his first start vs. winners; has tactical speed to gets a nice stalking trip; but nice as that Pegasus run was it hasn't been much of a predictor for success here, with Mandaloun in 2021 and Verrazano in 2013 the only horses to win that and then win this in the last 20 years; but you have an improving horse who's done something no one else in here has done - win here.
