She has the kind of early speed that you like to see in a turf dash like this, but she has struggled to maintain a forward gear late in her races; that said, she ran well off of a layoff in her latest outing, and perhaps she'll be ready to take a step fo rward.

Multiple stakes placed performer lacks recent wining form, but he's clearly capable of producing an effort that is strong enough to make his presence felt in here; he has run well routing over this surface in the past and not willing to count him out of the mix.

Grade 3 stakes placed colt is seeking his first win of 2026, but he routinely runs races that are strong enough to get him into the mix with these; a little concerned that he might find himself racing from behind early on in a paceless race, but he's a l egitimate contender.

Like what he's done in his nine starts since arriving in America and he enters this race off of back-to-back wins; he might find himself sitting a favorable trip just off of the early speed of La Frost, and if that rival doesn't handle the added distance , he might inherit the lead at a key point; have to respect his chance with Lopez taking over.

New Jersey-bred stakes winner was so-so at best in his one start against open company and this does look like a tough spot for him to give open competition another try; he'll have to show up with a career best effort to prove to be the one in this spot. -Brian Pochman
